Item Descriptions

Item 1: Unit 3 Outcome 1 – Outcome 1 contributes 20 percent of Unit 3 and is therefore written as a 20 mark SAC. The SAC is structured into two sections, with Section B being a case study and questions.

Item 2: Unit 3 Outcome 2 – Outcome 2 contributes 40 percent to Unit 3. Because of the size and the varying content in this outcome, this SAC has been written to allow teachers flexibility in their assessment. Teachers receive all three versions when they purchase this SAC. The three versions are:

1. 40 mark SAC (covering entire outcome)
2. 40 mark SAC (covering entire outcome with 10 mark question included)
3. 2 x 20 mark SACs (splitting the outcome into two sections)

Item 3: Unit 3 Outcome 3 – Outcome 3 contributes 40 percent to Unit 3 and is therefore written as a 40 mark SAC. This SAC is structured into Section A and Section B. Section A consists of stand-alone questions and smaller case studies. Section B is a larger case study with questions that follow.

Item 4 – Unit 4 Outcome 1 – Outcome 1 is a 50 mark SAC structured into two sections. Section A consists of stand-alone questions and smaller case studies. To help provide flexibility for teachers in how they assess students, there are two versions of this SAC. Teachers receive both versions when purchasing this item. The two versions are:

1. 50 mark SAC (Structured into Section A and Section 4)
2. 2 x 25 mark SACs

Item 5 – Unit 4 Outcome 2 – Outcome 2 is worth 50% of Unit 4 and this SAC is therefore a 50 mark SAC structured into Section A and Section B. Section B is a larger case study with questions that follow.
